PRICE, FIVE CENTS

New Sheriff

Gilbert S. Jones Democrat
and Long a Democrat

By E. L. PAXSON

Since it was certain that Governor Earle would name some Democrat as sheriff to succeed the late Edwin H. Bellis, there are quite a few Republicans who are glad that the Democrat chosen is Gilbert S. Jones.

They include fellow-fraternalists, many motorists who appreciate the courtesy he has shown them during the last 18 months while superintendent of Valley Forge Park, and some, like the writer, who have been associated with him in business.

While his newspaper employe some years ago, the writer suffered severely, and not only was sent home and provided with taxi service for treatment, but Mr. Jones filled in on the job for three or four days until I was able to return.

At another time, his attention being called to a young father of the night before, he exclaimed: "Well, what are you doing here? Why aren't you home?" Thereupon he took over the young man's duties for the day.

The personal association was brief, for the newspaper was predominantly Republican in its personnel and Mr. Jones, a Democrat long before many in the present Earle administration, retired from the company.

The new sheriff—first Democrat in half a century to hold the office—has the backing of both township-borough chairman John T. Dunnin and county chairman-elect Joseph F. McElwee, of Merion, and without regard to party lines, has many friends on the Main Line. His term will expire in 1940.

Born in Delaware, he is a resident of the State for 26 years and of the county for 18 years. He is a descendant of Commodore Jacob Jones, naval hero of the War of 1812, and a cousin of John Fiske, the American historian. A past deputy grand exalted ruler of the Elks, he is also a Mason.

His political appointments mark the third phase in his career. Formerly he was a newspaper publisher and for many years was engaged in tree surgery and landscape work. He directed shade tree preservation work on government property both at Harrisburg and Washington.

Around the Town

President Judge Harold G. Knight, of Montgomery County Courts, married Mrs. Elsie Bell, of Glenside, at the courthouse at Norristown, Saturday. He is a widower and Mrs. Knight a widow. . . . Thereby following the excellent example set by Judge Holland, who married Narberth's Mrs. Russell Green.

Governor Earle, Senator Guffey and P. M. General Farley head the invited guests to the testimonial dinner August 2 at Sunnybrook for Joseph F. McElwee, of Merion, newly elected chairman of the Montgomery County Democratic Committee. Nearly a thousand Democrats are expected at the rally, which will open their campaign here for the November election.

Small world. . . . Who should Ralph S. Dunne, of Narberth, brush into while visiting in California recently, but William H. Haws, whose hardware store is across the street from the Narberth Coal Company.

Congratulations. . . . George B. Maguire, the Joseph D. Maguire's son, 300 Grayling, has been made assistant engineer of Lower Merion Township, selected from a field of two dozen well-qualified applicants. George, who as "Spike" and "Barrie" was a grid star at L. M. and court star in Narberth, has been living at 25 Cynwyd road, Bala, since his wedding last year. After studying at Villanova, he continued his engineering at Drexel, while working for the P. R. R.

John A. Lafore, Jr., of Merion, addressed a meeting at Harrisburg Saturday of the Republican State Negro Council, and accepted an invitation to act as its liaison-advisor for the fall drive for an increased negro vote for the G. O. P. cause.

Soap Box Derby is the 26th in Fairmount Park. Boys can get in by registering at once, with Kirsch Chevrolet in Cynwyd.

Walter Gates Cree, the Narberth School Board Tuesday night awarded the contract for extensive wiring and rewiring in the borough school building. His Narberth Electric and Radio Shop was the lowest responsible bidder among six that were given careful consideration. The work is to be completed by September 1. New fixtures will be ordered after the regular July meeting of the board, next Tuesday.

Aged 83

Minnie Rothermel McDowell,
Widow of

Samuel R. McDowell, died Sunday following an illness of three years. She had lived at the old McDowell home, 845 Montgomery avenue, for 60 years. A member of the Merion Chapter of the Daughters of the American Revolution, in her earlier years she was a very active member.

Her estate included the old Brookhurst Inn, where it is said Lord Cornwallis had overnight headquarters during the Revolution. The race track long located in that vicinity also was on the McDowell estate.

Mrs. McDowell was a member of St. John's Episcopal Church, Cynwyd, where funeral services were held Tuesday at 2 P. M.

She is survived by her son, Samuel R. McDowell, Jr., and four daughters, Mrs. Sylvester Gray Megargee, Mrs. Guy Luburg, of New York, and Miss Margaret McDowell and Miss Katherine McDowell; and four grandchildren: S. John Megargee, Louise R. Megargee, Ann Megargee and Robert Luburg, Jr.

Ladies

Of the Narberth Presbyterian
Church, Please Note:

Next Thursday there will be a meeting of combined Circles on the lawn of Mrs. C. H. Nold, Wynndale avenue. Mrs. R. C. Kennedy will be hostess. Study topic of the afternoon will be "America Through the Eyes of a Missionary," with Mrs. Erwin, of Cynwyd, as teacher. Come, if you possibly can, and enjoy the afternoon with us.

In the evening of the same day, July 21, the Evening Circle will meet on the lawn of Mrs. Ruth Nash, 109 Dudley avenue. This is to be a picnic supper meeting and the festivities will begin at 6.30. The lesson will be taught, later, by Mrs. Thomas C. Dunlap.

We earnestly hope those of you who are home will come and lend inspiration by your presence.

The Girls' Circle will meet that evening also at the home of Kathryn Spencer, Athens Apartments, Athens avenue, Ardmore. The lesson will be taught by Mrs. George Black.

Boy Scout Column

by WM. E. FERGUSON

The latest reports from Camp Delmont, official Valley Forge Council summer camp, show that there are over 300 boys in camp along with leaders and scoutmasters.

General Smedley D. Butler will speak Sunday before the assemblage on the Americanization of Youth through the Boy Scout Movement.

Main Line Court of Honor was held Tuesday at the Merion Scout House, on the Tribute House lawn and the settings made an impressive meeting to those in attendance.

Penn Valley No. 1

For those who are not away, the program of Summer Activities has been planned. Included in the schedule for this vacation period are overnight hikes and a boat trip to River-view Beach. According to present plans, the latter event will be a day's outing for troop committeemen and their families as well as troop members.

JOHN BOTHWELL,
Troop Reporter.

Merion No. 2

At the last meeting, the troop took a short hike of 9½ miles for the purpose of observing nature and interesting sights along the way. When it was over, as can be expected, we were very tired and Samuel J. Bunting, Jr., our scoutmaster, kindly treated all of us to an ice cream cone.

Sunday our troop is leaving for Camp Delmont. We plan to start at 2 P. M. and the people who are to provide transportation are Scout-

Childhood's

Easier Today, Said Alvin
E. Shull,

Addressing the Bala-Cynwyd-Narberth Rotary Club Tuesday, he told the club, of which 13 years ago he was founder-president, that times are handed our children nowadays, that we worked hard for. And he told of working, before he was ten, on a dairy farm, and later, in a bakery from 10 A. M. to 11 P. M., usually in a temperature close to 120 degrees. And attending Peirce School, and giving up a \$13-a-week job in an Ocean City lumber yard to take one at \$10 in Philadelphia. The Shull Lumber Company began in Philadelphia August 1, 1919. Some customers to whom he sold lumber in '13 are still with him; and that makes him feel good.

Shull—Shull, Shull

He told how his ancestors came from Lorraine, near Switzerland, in 1730 on the "Loyal Judith," and how their name became Americanized.

The talk was an interesting beginning of the program of the new president, Dr. R. M. Staley, and vice-president, Engle Taylor, who is in charge of the programs this new club year.

Next week's speaker is Ralph S. Dunne, another former club president, who last month attended the International Rotary Convention in San Francisco.

Girl Scouts

A trained staff of 29 volunteers lined up the 118 Main Line girls when Dove Mill Girl Scout Camp opened Monday on the Longstreth estate in Haverford, put them into units first by age (7 to 17), then by activities interests, and an organized camp was established for the first four days of this week and of next week.

Only one problem, and it is a large one, confronts them. . . . transportation, according to Mrs. C. A. Thayer, director. The bus that the Radnor School donated is a big help, but it only holds 35. It unloads twice each day, but that only brings 70 of the children. "We are sending out a plea for mothers who can drive to bring their children and those in their neighborhood in their cars. Will others with cars who can help, please pick up some of the children at the bus stop nearest your home?"

The heat had no effect on the thirty pioneer girls who started Monday cleaning underbrush, making a path edged by stones, and two stone fireplaces. Tuesday the first two patrols

Pet Show

Is Next Thursday at the
Playground

It will begin at 2 P. M. and prizes will be given for the best trained, the best looking and the oddest looking pets. Parents will act as judges and are invited to attend.

The Legion Junior Ball Team plays Bridgeport's at 7 this Friday evening at the Narberth Playground.

Men's tennis tournament is in full swing, for the (Howard and Eugene) Davis Cup.

The boys' (under 16) tennis tournament will begin at 2 P. M. Tuesday.

Last Thursday's senior track meet was won by Duncan, with 26 points, with O'Sullivan, 11, and Graham, 10, next. Of the junior boys, McQuiston was first, Shubert 2nd, and Coholan and Devine tied for third.

At Assembly the Louis-Schmelling fight was enacted by Warren Vincent and Bill Kaurer, respectively, with Warren O'Sullivan as Referee Donovan and Ed Gorman and Bob Taber as trainers.

Tumbling—Dick Devine and Jim and Ed McQuiston and Bob Phillips were the winners.

There's an assembly every Friday at 2. Last week's was notable for the sailor's hornpipe danced by the girls, who have other dances in store for later.

Summer flower making is now under way; join in. Leather work is giving place to metal work. Come make an extra ash tray for dad.

Average daily attendance up to last Friday was 178.

The Young People

Of the Narberth Presbyterian
Church

Are sending a large delegation to the annual Young People's Conference on Long Island, conducted each year on the campus of the Stony Brook School for Boys.

The Narberth Church will be represented by George Black, John Burns, Betty Felty, Dorothy Furber, Dorothy Havlick, Marjory Havlick, Marie Hipwell, John Hobaugh, Louise Johnson, Dick Mason, Lorraine Miller, John McCafferty, Sally Patterson, Dorothy Roberts, Lee Terry, Bob Tyson, Chet Tyson, Joseph Woll, Walter Wood, Ruth Woolmington and Jim Yunker, who will spend the week.

Those who will go for the weekend include Mr. and Mrs. Clarence Rife, Mrs. Ruth Nash, Betty Kennedy, Peggy Taylor and Warren Shriver. Dr. Anderson will accompany the young people to the Conference and serve as one of the faculty members.

The group will leave Narberth at 10 o'clock Saturday morning in cars and return the following Saturday.

It's Open House

At the Narberth Fire Company next Tuesday evening, when the public is invited to inspect the active members' new furniture in the recreation room, ground floor rear. The club wishes to express its appreciation for the Narberth Theatre benefit proceeds which made the modern chromium and red leather seats possible. . . . Guests Tuesday will be greeted by Chief John A. Miller and the House Committee—Harry Hollar, Jack Paden and Howard Millard.

"Dyin' Quintuplets" in Close Harmony at Ranger Lodge Stunt Night

We may be slow in some things, as for instance, making up our minds to take an icy morning dip, but one thing is certain, there was no delay in getting our inter-camp contests under way. After only a week in camp—almost before we were fully at home in our surroundings—we were playing host to neighboring Camp Agawam's baseball and rifle teams.

We gained an even break for the afternoon's effort, Doc Rickett's 16-year-old diamond stars dropping a 2-1 pitcher's battle and trouncing the visitors' 14-year-old marksmen on the range, 429 to 395.

The ball game should be good material for Ripley. Len (Vandermeer) Jones pitched a no-hit game, and still we lost. Costly errors and too many passes proved the team's undoing. Our own boys were able to collect but two safe hits themselves, singles by Pitch-

er Jones and Catcher Jim Dykes. Mickey McConnell, Charlie Dykes, Ross Collins and Howard Nold made a "million dollar infield"—with ten per cent off for a few errors, and Hugh Dunlap, Bill Shanklin, and Harry Middleton played without flaw in the outfield.

But, meanwhile, the five junior riflemen were peppering out bullets on the fifty-foot range with such amazing regularity that our powder smoke got in their eyes. Frank Wedge, also a clever high jumper, was high shooter with a 95 out of a possible 100. Walter Hayes followed, with a 90. Howie McConnell hung up a commendable 88, Bill Thomas contributed an 82 and Bob Paine rounded out the team with a 74.

A return match next Tuesday at the opposition's wigwam will find the

The New Copper

Is George A. Torchiana, of 234
Iona Avenue

His appointment to the Narberth police force was announced Monday night at Council meeting, by Chairman Roland S. Fleer, of the Public Safety Committee. He begins at once a three-month course at the State Police training school, Myerstown, which he must pass in order to qualify for the job; it pays \$1500 a year to start. Eight other applicants were turned down, for reasons such as flat feet, according to the police committee and Lower Merion's physical examiner. (No longer shall "flat-foot" be a law-custodian's synonym.)

"Jiggs" Torchiana has two brothers, two sisters, and his mother, Mrs. Catharine Torchiana, a practical nurse who is universally well liked. The family has lived here for 18 years. The new copper attended L. M. H. S., worked as a fireman on the railroad, and lately for Joseph Maguire's Forest Service Station. He succeeds Brady Utz, whose sharp-shooting skill won him a place on Lower Merion's force.

Narberth Baseball

"Win 'em for Gene!"

Many of the Narberth baseball fans have been wondering what has come over the tossers who represent this town in the Main Line League. Their lethargic play of early season seems to have disappeared and in its place has appeared a speed and vigor that brings back reminders of other ball seasons.

The boys "in the know" claim that it's because of a new attitude of the players, who are trying their hardest to win every game for Manager Gene Davis, who is ill.

At any rate Narberth has won 16 straight games since Gene was taken ill and the homesters have won enough league tilts to put them in third place. They trail close on the heels of Gladwyne and Manoa, who are stalemated for the top.

Gladwyne, holding two decisions over the locals, will invade the community grounds tomorrow for a crucial game. Sunday the borough nine will tangle with Drexel Hill here.

Narberth was kept busy last weekend even though it was an open date for the league. Saturday the boys trounced the Philadelphia Jewish Stars, 16-1. A day later the defending champs defeated a crack Wissinoming nine, which is the current leader of the fast Philadelphia League, 6-4.

Walter Masters, who was mainly responsible for hurling Narberth to the title last year, worked against the Stars and had things pretty much his own way. He struck out eight and walked three. George Gazella, Harry Fox, Roger Malseed and Jack Eachus were the big guns in the winners' lineup. Gazella had a homer, double and single in three at-bats. Fox had a blow for the circuit, a double and single in six tries; Malseed slapped a triple, double and single in five; Eachus boasted a two-bagger and two one-base hits in three tries.

Wissinoming came here with a repu-

Hot Weather "Don'ts"

Nine hot weather "don'ts" that all persons might well observe this summer have recently been compiled by a health organization at Rockefeller Center, and are as follows: (1) Don't overeat or overdrink. (2) Don't fail to sleep with the windows open. (3) Drink at least six glasses of water, cooled, but not iced, daily. (4) Don't fail to bathe daily. (5) Don't eat much meat and not more than once a day. (6) Don't fail to get eight hours' sleep every night. (7) Don't fail to get a typhoid inoculation before going on vacation. (8) Don't overwork. (9) Don't wear heavy clothing.

Recommendation that Narberth seek Federal funds to make improvements to the playground and community building was made by Burgess Frank A. Schrepfer at Monday's meeting of Borough Council.

Suggested improvements were listed as follows:

Construction of a concrete stand at the ball field with built-in showers and toilet facilities.

An auditorium and basement at the community building.

Paved area at rear of community building, paths and steps in various parts of the playground.

Burgess Schrepfer pointed out in a letter to Council that "the character of population in our borough makes it certain that we shall pay our share of the national expenditures in terms of taxes. It is highly doubtful that another such opportunity to share in benefits will again be presented."

Deadline for filing applications with the Federal authorities is September 30.

The matter was referred to the Property Committee for consideration.

The Burgess pointed out that \$10,000 worth of improvements would require a capital outlay of only \$625 a year for ten years.

The usual procedure in such projects is for the Federal Government to pay 45 per cent outright and to lend the 55 per cent balance at 4 per cent interest.

This is in line with the Planning Commission's recent idea of seeking public funds to finance local improvements; and with a report by Chairman Henry Carr, of the Property Committee, that the ball field's wood stands will need new ones before long; and the Community Health Center's building adjoining the playground, on Conway avenue, needs a heating unit and alterations.

It's Vacation-Time

For Mrs. Ruth W. Grace, clerk of Borough Council and assistant to Tax Collector John R. Hall. Starting tomorrow she will be away for a week. So tax payments had best be made by mail, or postponed until the 25th or so, she suggests.

Borough Council

At its Meeting Monday Night
Also:

—Heard that traffic violations and other police matters weren't many, last month. All-night parkers were only 23, including one person responsible for 13 of the notices. He was "forgiven due to exceptional circumstances," according to Councilman Roland Fleer; seems he's a railroad inspector and it was in the line of his duty.

—Received a report that borough building totaled \$2190 in June, including a \$1600 addition for B. W. Best, 534 Dudley, and \$450 roof for C. P. Cook, 36 N. Narberth. Also \$2435 worth of oil burners—4 of them, including one for dog-connoisseur Arthur W. Burns.

—Received from Councilman Fleer word that President Judge Knight approved the borough's claim—\$3,363.09—of Merion Title and Trust Company closed-bank preferred funds. . . . A help for the August exchequer.

—Received from Tax Collector John R. Hall his first moneys, helpfully a whole month early—\$1,002.86.

—Highway and Sewer Committee Chairman Walter A. Fox, in his carefully detailed report, pointed out that McCabe Brothers are constructing the Grayling avenue sewers, employing, by request, four Narberth men on the job. . . . 650 sidewalk and curb repair notices are being sent today, including—verbally, no doubt—to the borough for some of its own properties, notably around the playground.

A Plug and Fly Casting

Contest will be held at Willow Grove Park Lake, August 27. Members of clubs and families affiliated with the Federation of Sportsmen's Clubs are invited. Elaborate prizes will be distributed to winners. A meeting is called by the Merion R. B. Chain of the Lower Merion Rod and Gun Club's Fly and Plug Casting Committee, 8 P. M., Tuesday, at 338 Iona avenue, for contestants desiring to compete, in order to convey to them the elaborate plans that are being made.

For Better Films

Showman Joseph Conway of the Egyptian calls attention to the *New York Times*:

"Producers Arbitrate. Apparently scared by the specter of the Senate-endorsed Neely bill to outlaw 'block booking'—the practice by which an exhibitor who wants to rent a particular movie is compelled to take some times as much as a company's whole output in order to get it—a committee of motion picture executives last week under the chairmanship of Sidney R. Kent, president of Twentieth Century-Fox, opened negotiations with the organized and independent producers looking toward a solution of this and other distribution problems. It is the first attempt at self-regulation in a branch of the industry where bitterness and irresponsible name-calling prevail, with the public standing outside, amateurishly wondering why the Bijou-Dream doesn't just select the pictures it wants—the good ones—and let the others go. The Senate seems to have had much the same viewpoint."

Liquidating

Trustees for Narberth's American Legion B&L

Have been elected, according to a news item published recently in an Ardmore paper. At the meeting, which seems to have had no preliminary newspaper announcement, it was voted to seek approval of the State Banking Department for liquidation. The trustees elected are Alexander C. Shand, Jr., president of the association; Harry A. Simpson, secretary, and John A. Mowrer, Jr., a director.

The association's October 5, 1937, statement listed \$112,415.20 in assets, with reserves of about \$40,000, 515 shares of stock valued at \$45,776, and withdrawals payable of \$19,807.76.

ages for each sport just reversed.

Interest in this year's cabin inspection race has been enhanced with the offer of a speedboat ride on Long Lake for the winners, as well as possession of a scarlet and grey "Honor Cabin" banner for the following week. Cabin 10, composed of Frank Richards, Paul Helgate, Richard James, Frank Wedge and Jack Conway, "climbed up" in a big way, presenting a perfect cabin nearly every morning of the past week.

A few nights ago the Ranger Little Theater, situated in the interior of Cabin "Honor," presented the occasion being the season's first Stunt Night. The hit of the show proved to be Bob Mockling's interpretation of the radiant daughter in a musical dramatization of "The Butcher Boy," Bob Boyne and Ted Friel "operating" on Marshall Brooks in a quick doctor skit was another highlight.

An air-conditioned head, resembling somewhat a convict's shave, is the accepted and official camp style in haircuts. Snappaet examples are displayed by Sandy Whitwell, Bob Rabbit Narriegan and John Bartle.

Today the entire camp went over the "Great Divide" being separated into two groups of Scarlet and Grey, for regular competition.

Some of the loudest guffaws that have been heard so far echoed out over Lake Pleasant tonight at the weekly, informal "fraternity meeting." Chief object of the amusement was the vocal demonstration of a cat and dog in mortal combat, by Joe Lee, Winston Gerner, Chet Dawson, Don Rhases and Len Jones, all representing the chef's department, then came him to offer several close harmonious versions of barber shop songs. The rightfully earned then the title of "Dyin' Quintuplets."

So far, Doctor W. H. B. has "take" sundown "sick" and he has been taken too sick. With a tremendously mild and clean "Bath" while we run out and about the wood. It should be a good idea to find some for as long as he can stay. "This is the best time to stay," said, "this is the best time to stay."

prepared for their all-night sleep on the camp site by using sticks for a wash basin stand and for dish-washing.

The Main Line Girl Scout Committee, which gives the day camp each year for all Main Line girls from seven up whether they are scouts or not, brings an interesting speaker to the noon rest hour each day.

Monday Adolf Muller, president of the Montgomery County Dogwood Association spoke on the beautiful trees of this county. Tuesday Mrs. John E. Flynn, member of the Dairy Council, gave one of the clever puppet shows Mrs. Flynn, who is director of Dramatics and Puppets at the camp, is training her group in a puppet show to be given next week. Each girl will manipulate a doll. The dramatics group hopes to stage a Swedish festival in costume next week also.

A change has been made in the return bus schedule at the close of camp each day. At 3:45 the bus will leave camp for the Ardmore trolley station and the Haverford post office. At 4 the bus will again leave camp for the Narberth Community House, and corner of Bowman and Wynnewood roads.

Mornings the bus leaves Ardmore trolley station at 9:20.
